

# VEGETATION SURVEY

Key Stage 2

## Be a Botanist!

Can you explore what different habitats support different plants?

Names: \_\_\_\_\_

School name: \_\_\_\_\_

Date: \_\_\_\_\_

Season: \_\_\_\_\_

Weather: \_\_\_\_\_

Vegetation type: \_\_\_\_\_

sunny / overcast / wet

wet heath / dry heath

- Look carefully at the plants in your quadrat.
- Cut a small sample of each plant and **stick** into a blank square below.
- Give each of your plants a **common name**.
- Estimate** what percentage of the quadrat it covers.

EXAMPLE

Living Star

10% 25% 50% 75% 100%
